Tarnished, a strong warrior who refuses to abide by the borders of authority, sets off to investigate the mysterious mist that has appeared over the lands of your homeland. Upon arriving in the dangerous city of Fell Castle, you learn that your childhood friend, Caria, now a noblewoman of the region, has been kidnapped by a powerful and mysterious man named Amon, and your past sins weigh heavily on the spirits of the city, which do not respect you. In the end, a dangerous prophecy of a dark dragon buried deep beneath the earth comes to fruition, and the fate of your homeland hangs in the balance. **PLAYER CONTROLS** 1) Move "Move" is your primary action in the game. Moving is easy, just tap the right analog stick to walk and double tap to run. 2) Aim "Aim" is also a primary action, but this is where you use your magic and attack to attack enemies. When attacking, you first select the target, tap "Aim" to enter the aiming mode, and then attack. When in the aiming mode, you can see the position of your character, the enemy, the direction of your shot and your current magic, and you can even use "Aim" with a slow motion to carefully aim your attack. 3) Attack "Attack" is an action that attacks enemy on the current screen. When in the attack mode, you can see the position of your character, the enemy, the direction of your attack and your current magic. Simply tap "Attack" to attack the enemy. 4) Magic "Magic" is the secondary action. Tap "Magic" to cast magic. When casting magic, you first select the spell you want to use from the magic list. Next, you can see the position of the enemy and the direction of your attack. Then, you can see the amount of damage you can deal with "magic", and the damage you deal with "magic" can be increased by equipping items during the game. The "magic" of the character also varies according to the class of the character. For example, a character with the fighter class can cast strong attacks such as "Shock", whereas a character with the wizard class can cast strong magic such as ⚡

Elden Ring Features Key:

The Craft of the Elden Ring - Mechanically action, character development, and an epic story were combined to form a narrative package that goes to a new level.

Authentic world - The open world is full of life and it feels like a living world that is unique to each player.

Unprecedented character customization - With an abundance of character customization options, you decide your appearance, weapons, and wearables.

Award-winning visual effects - All of the character's motions have been carefully designed by a long history. The vivid usage of shadow has been re-created by using the Unreal Engine 4, resulting in a graphics quality that is near-unmatched in the games industry.

Beautiful graphics - The battle scenes and landscapes are compelling. You will find yourself captivated by the romantic and beautiful scenery.

MULTIPLAYER online gaming services - A balance role-playing game and action game, you can directly connect with others to customise and activate your own actions in the world.

"The combat system in the new Elden Ring Cracked 2022 Latest Version has some of the best customization in the genre. By default, weapons degrade in a set way based on usage, but by equipping different equipment you can effectively change your play style." "The map is incredibly vast, full of vast open fields and huge dungeons with complex and three-dimensional design. You are also given a teleport function that can automatically send you to another area, instantly solving any problems of not being able to escape monsters. The art style is beautiful, taking cues from the second half of Final Fantasy, but they still manage to manage to give it a unique touch. The character and monster designs are also just as beautiful." "The soundtrack features 'Materia' type weapons, which can be stored and used as the environment changes. The design of the weapon plays a key role in determining the power of the magic, so it's an incredibly deep system that is easily fun to use." "It's one of the most beautiful RPGs I've seen, with some of the biggest landscapes and best-designed dungeons you'll see." "The story has a very unique feel, almost like a visual novel with a plot that's worthy of the genre." **TROUBLE IN THE NORTH HIGHMAN.** It seems you were the cause of the war that killed and tortured her people. **Nepeta, a beautiful sorceress that even more beautiful than the art of our games, will appear before you. Trapped by the "Tribals," who have also taken her body. In order to save her, you have to reach her first, and stop her. HOW TO SAVE THAT SOUL.** The fate of a nation lies in your hands. **HIGHMAN FIGHT. ON TO THE THIRD EARTH.
