
Licensedat Soliwork Cosmos

Does anyone have a license.dat file for COSMOS/Works 7? I don't have a business and I can't afford to buy one. I use Solidworks to create controls, tabs, ... and I don't have enough license to do so. EDIT: Here are some links for more information <http://www.cosmos-works.com/download.html> <http://www.cosmos-works.com/download.html?page=downloads> <http://www.cosmos-works.com/download.html?page=downloads#> <http://www.cosmos-works.com/download.html?page=downloads>
