Sholat Sunnah lengkap: Download Tuntunan Sholat Sunnah Lengkap Pdf. Download Tuntunan Sholat Sunnah Lengkap Pdf. Download Tuntunan Sholat Sunnah Lengkap Pdf. Download Tuntunan Sholat Sunnah Lengkap Pdf. DATE: December 3, 2001 TIME: 10:00am-3:00pm LOCATION: Committee Room 1, 51st Floor, Chevron Building WHO: Majority and Minority Staff, Commissioners, Executive Director SUBJECT: NRDC's Proposal to Provide Funding for New TCE Risk Reduction Proposals

The Natural Resources Defense Council (NRDC) is proposing to increase the amount of EPA funding for the cost of performing the necessary follow-up work on TCE-risk reduction activities through the Superfund. We request that EPA agree to an increase from 25% of the total funds needed to perform these activities to 35% of the total funds needed to perform these activities. To fund these activities, we request that EPA's Office of Solid Waste and Emergency Response (OSWER) "piggyback" the funding with an additional \$15 million. We also request that OSWER's relative funding be set at 40% of the total amount needed to perform the follow-up activities. In order to fund these activities, we have requested \$30 million for OSWER's natural-resource damage and restoration program, which

has existed since the 1980's. This \$30 million is included in the requested \$70 million for the costs of performing the activities, which would be obtained by reallocating funds that EPA would otherwise spend on other activities. The requested amounts are approximately 2% of the \$2 billion spent in Fiscal Year 2001 for Superfund activities. A copy of the proposal is attached. Our capacity for the work would be provided by Natural Resource Defense Council members working with NRDC's Superfund staff. We anticipate that the employees would be split into a rapid response team, with a heavy emphasis on natural resources, and a workplan-driven team, with a heavy emphasis on technical assistance.

Regards, Mike Fasano
